Holy Rosary School Family Communication Newsletter

March 18, 2010

“You are the bows from which your children as living arrows are sent forth. The archer sees the mark upon the path of the infinite, and He bends you with His might that His arrows may go swift and far. Let your bending in the archer’s hand be for gladness; For even as He loves the arrow that flies, so He loves also the bow that is stable.”

-Kahlil Gibran

Registration papers for the 2010-2011 school year are enclosed in your FCE envelope. Several grades have waitlists so please let us know if you plan not to return to Holy Rosary School in the fall. If you do not have registration papers enclosed in your FCE there may be a problem with one of your contractual agreements. Please call the school office for more information as soon as possible so your student can maintain their status. Completed registration is due back by April 2nd. Thank you.

The next School Commission Meeting is on Thursday, March 25 at 6pm and will be held in the School Hall. This is an open meeting and all are invited to attend.

Please make sure your Family Communication Envelope (FCE) is returned to the school office by the Monday following distribution. There have been an extraordinary number of missing envelopes the past few weeks and the FCE volunteers have had to send a great number of missing envelope messages. Not only does this double their workload but it also wastes paper. Thank you in advance for your attention to this matter.

8th GRADE PIZZA LUNCH. Thank you everyone for your patience as we work out the glitches in the system. Your feedback is helping improve the process. Please note a few things: if you accidentally submit your order multiple times, we will be able to eliminate the duplicates; input the date you place your order and we will make sure it is applied to the next pizza lunch date; if you print the page to accompany your payment, don't worry if the second page is cut off; lastly, we realized that we had the kindergarten teachers and classrooms switched, just select the correct teacher for your child, and we can figure out the rest. Please [contact Chelle Chase](#) with any questions or feedback regarding the new process. [Order the pizza online.](#) [Download the Pizza Order Form \(PDF\).](#)
