UNIFORM 2014-2015

Upon consideration of the uniform policy changes recommended by Parents Club and approved by the School Commission, and upon receiving further input from the faculty, I have decided to implement the following uniform policy changes. This year we officially placed this in the hands of the Parent Club for decision with the approval of the School Commission. I believe the staff and the parents had a fair share of input into the decision making process and, in the end it was a collaborative effort. We processed the work and worked the process. This will have long term impact on our students so I consider it to be a part of our evolution into a strategic plan. The uniform policy for school year 2014-15 is as follows (changes to the current policy are underlined and highlighted):

General uniform requirements for all grades

HRS students are expected to follow uniform policies, dress appropriately on free dress/spirit days, and be well groomed. It is the staff's responsibility to strictly enforce the policy; to do this, we need the support and cooperation all school families. Any student not in compliance will be given an infraction to be signed by his/her parents. Students may be required to call home to have the proper uniform/clothes brought to school (and wait in the office until the correct uniform/clothes arrive). A fourth uniform infraction will result in a detention.

1. For perfect uniform in grades K-7, shirts must be white knit, oxford style with a collar or turtleneck (8th graders may also wear navy blue shirts/turtlenecks). White camp shirts purchased from the uniform store are allowed. In K-7 red knit, oxford style shirts with a collar purchased through Land's End Uniform Store or Dennis Uniform may also be worn on non-perfect uniform days. Shirts must have long/short sleeves (no ¾-length or rolled-up sleeves) and may not be oversized, baggy, or tight. T-shirts worn under uniform shirts must be plain white (no emblem, logo or color). Shirts must be long enough to stay tucked in.

2. Red sweaters (cardigans/pullovers/vests purchased at uniform store) may be worn; Holy Rosary logo red sweatshirt purchased through Lands' End Uniform Store may also be worn. 8th graders may wear Holy Rosary logo navy or Holy Rosary logo grey sweatshirts purchased through Lands' End Uniform Store. On perfect uniform days, students must wear proper uniform sweaters, sweatshirts or vests as defined in the policy. All school Mass days are perfect uniform days.

Annual Fund

The responses are coming in at a much faster rate than last year at this time. And I am very happy to report that almost everyone is increasing their level of support. If you have not had a chance to send in your pledge for 2014-2015, please do so right away. If you have any questions, feel free to call Kamila. We really appreciate the cooperation of the parents in this massive effort. Your attention to matching funds from your companies has greatly enhanced our income. I extend a special thanks to those who are doing their pledging and paying on line but still send in their pledge sheet to us. It helps us to keep track of the pledges and give proper credit. Remember names are placed in the Annual report in the giving categories that match up with responses to the drive as of the end of this June. For the Capital Campaign we will simply be listing names alphabetically for about five years until the campaign is done. Again, thank you for all of your support. I fully believe we will end up in the black this year, and that we will have collected enough money in our Centennial Capital Campaign to pay for the new windows in the school which we have listed as our first need in the campaign.

CALENDAR CHANGE 2014-2015

When we first drew up our calendar for next year, we had received the wrong date for the Archdiocesan In-Service for all staff next year. So please note that we are in school on Friday, September 19, 2014. The all staff Archdiocesan In-Service will take place on Friday, October 3, 2014. That is the day that there will be no school. One little problem we have is that WestFest starts on Friday September 19th, so the school is needed for at least half a day for set up. Therefore, the school will be in session until noon that day (Friday, October 3rd). The children will then be dismissed and the staff will have an In-Service for the last half of the day. I am sorry if this is creating any problems for anyone.

THE BENCH

The school presented a bench to Father John Madigan to honor the life and passing of his mother who died recently. The bench was built by one of our teachers ----- Mr. Mike Ritscher. A plaque will be placed on it saying, "IN REMEMBRANCE OF MARGARET MADIGAN TO HONOR HER LIFE AND YOURS". It is Father's hope that people will take time to simply sit on it, rest and celebrate the beauty of God's creation and wonder in the spirit of the moment. (See photo on the website.)

REMEMBER THE SPOT!

Brian McGaughey constructed the monument that has been placed on top of the time capsule. It identifies the location of the capsule and the year it should be opened. It is located at the base of the flagpole which is in the exact same spot that the previous one was buried 25 years ago. This one will be opened in 50 years. Regrettably, I am not able to schedule that event for myself. But I will be there in spirit. (See photo on the website.)

Summer Math

Summer is all about fun and relaxation. It is a time to spend time with family and friends and recharge between school years. We hope that you can find some time for math this summer, too!

WHY SHOULD I DO MATH?

- Keep your skills sharp over the summer.
- Start the new school year with confidence!
- Feel prepared for our October standardized testing.

WHEN CAN I DO MATH?

- Cloudy mornings when you have nothing to do.
- Afternoons when you're tired from being down at Alki all morning.
- Long car trips or plane rides.

- **Warm evenings on your deck.**

WHAT KIND OF MATH CAN I DO?

- Math skills booklets
- MyMath ConnectEd website
- TenMarks website
- Flashcards
- Math apps

(More information about each of these resources on next page.)

ANYTHING ELSE?

- ❖ Students can keep track of their math minutes and totals on the calendar included. This will be due back in the first Friday of the school year.
- ❖ Students who do a total of 15 hours of math over the summer will get a prize! This is about 90 minutes per week.

WHAT'S THE PRIZE??

- ✓ **An ice cream social during the school day! Students will get ice cream, will get to play games, and will get to socialize with friends.**
- ✓ **The top math students who do the most math over the summer will get an extra special unique prize! We will announce this prize in the fall. It'll be a fun one!**

Information about the resources:

- **Math skills workbooks:** These can be found online (Amazon) or at Barnes and Noble. One suggestion is Summer Bridge Math. These books are to help students “bridge” the summer gap between grade levels. Another suggestion is the SPECTRUM books. I suggest parents buy the workbook from this year’s grade, not next.
- **MyMath website:** (<http://connected.mcgraw-hill.com/connected/>) This is nice because it is FREE, and students are already comfortable with the website. This can be used by any K-8 grade student. There are a ton of resources and activities for students. One of my favorites are the spiral review tests (under CHECK) at the end of each chapter. These are nice for students because they get immediate results after they submit the tests. The Facts Dash are also a nice way for students to practice fast facts! Finally, there are self-check quizzes for EVERY lesson in the entire book. Again, these give immediate results upon completion.
- **Glencoe.com:** This is available for all 7th and 8th grade students. No login is required. There are a lot of helpful options for students including vocabulary reviews for every chapter, self-check quizzes for every lesson, and chapter tests.
- **TenMarks.com:** This is a free summer math program offered by Amazon that customizes the curriculum for the exact needs of every student. Designed for the depth and rigor of the national curriculum.

math standards (CCSS and States), every TenMarks' assignment ensures students build strong conceptual foundation, improve problem-solving skills, and gain math confidence.

- Go to tenmarks.com to sign up. Parents can sign up multiple children. The summer access code is: **S14ASD2348**. (**This is not needed in order to sign up.**) There will be a diagnostic assessment to help create a curriculum that will meet your child's needs. The assessment will be automatically graded and TenMarks will create a personalized program, designed for your child to prepare for the upcoming school year.
- **Flash cards:** These can be purchased at any learning store and are a good way for students to keep their facts at recall.
- **Math apps:** Here are a list of math applications that have been compiled by the teachers. Feel free to check these out or search one for the needs of your child.

Sushi Monster, Mathletics, Flash to Pass (free version), Math Bingo for kids, Math Slicer, Oh No Fractions, Pearl Diver, Digit Whiz, Ordered Fractions, Grid Lines, 5 Dice, 4 Dice, Number Line, Geometry Pro, Virtual Manipulatives, Math Scaled, Buzz Math, Kakooma, Sakura Quick Math, Math vs Zombies, 3D Geometry, Math With Your Friends, iTooch Middle School, Numblr, DragonBox Algebra, Chicken Coop Fractions Game, Polymer, Pick-a-Path

We are looking forward to hearing about the students' math learning this summer! ☺

Parents Club

Thank you to all the families that came out to support our year end “wrap party” last Wednesday at Pecado Bueno! It was a great way to end our Centennial year. We had 99 adults and 78 children join us and we enjoyed a gorgeous evening PLUS we raised over \$1,350 for HRS! A big thank you to **Pecado Bueno** owner, **James Schmidt**, for the delicious food and giving back so generously to HRS – we kept 100% of the food ticket sales. Please support his business throughout the summer. Thank you to **Brian McGaughey** and the other boys in the band for our fabulous entertainment – they kept the groove going for us on the patio. We’d also like to thank 5th grade parent, **Lori Drape**

and her company, Melt, for donating wonderful caramels for our raffles. We also received a generous raffle donation from 2nd and 6th grade parents, Mike and Maria Taylor's **Two Brother's Winery**. They donated a bottle of their double gold award winning cabernet sauvignon! Check out their website and read more about this fabulous wine. www.twobrotherswinery.com

Please help Parents Club and our current kindergarten room parents celebrate Holy Rosary on **July 19 at the Hi-Yu parade**. We need help creating the float and volunteers to walk the parade route with the float! It's going to be a fun experience for everyone!

We are looking for room parents for next year! Email Jodie at choppersmail@msn.com if you are interested in taking on this important role.

We are also looking for a parent to take over the "**Labels for Education**" (or "Campbell's") passive fundraising coordination in September. If you are interested, please contact Tracy Honner at thonner@comcast.net.

Thank you again to the over 100 parents that took the time to respond to our survey last month on the final White Paper recommendations that Mr. Hofbauer asked us to process this year. The uniform refresh has been finalized! As noted by Principal Hofbauer, students in K-7 may wear an optional red polo or turtleneck shirt (must be purchased from Land's End or Dennis Uniform ONLY) on non-perfect uniform day. We have also updated certain styles of the MacBeth plaid sold through Dennis Uniform for grades K-6 as well as a navy skirt/skort for grades 7 and 8.

Another change for the upcoming year is the 8th grade sweatshirts (navy and grey) MUST be purchased through Land's End (just like the red sweatshirts) AND have the approved HRS logo. Our 8th graders are such important ambassadors of HRS and proudly having the school logo on all student outerwear not only increases our sense of community but also the awareness of our wonderful school in the broader Seattle community.

Watch for sales throughout the summer to save on our approved uniform options at both Dennis Uniform and Land's End.

Thank you again for sharing all of your time and talent with us and we hope everyone has a wonderful and safe summer!

Hi-Yu Parade

Come one, come all to the West Seattle Grand parade! Mark your calendars for **Saturday July 19th**. Please help us reinvigorate our Holy Rosary School spirit and show our West Seattle community how fantastic our school is – we need ALL HRS families to make that happen! Details are still being worked out, so if you have a great idea – let us know! Parents helping put things together and participating in the parade will receive COMMITMENT HOURS for this fun event! Get a head start on your hours for next school year! More details will be sent out as they become available, but if you have any questions or any parade or float building interest or expertise, please let us know. We also need some items donated – do you have a truck and/or trailer that could be used? Please email Kate McGovern or Emily Paulson at katemcgovern@comcast.net and emilypaulson@gmail.com

Children's Liturgy of the Word (CLOW)—Continuing over the Summer

We have heard from many families who would like to see CLOW continued on Sundays at the 10:30AM Mass time over the summer. CLOW is for all preschool thru 3rd grade children who are dismissed from Mass to receive the Liturgy of the Word at an age appropriate level. We have a great group of volunteers but need to expand in order to accommodate summer vacations and schedules. You do not need to be a teacher but just have a love of God's word.

Volunteer Opportunities in Children Ministries Attend Sunday morning Mass? Like to get volunteer hours and attend Church in the same outing? Like working with children? Have your children ever used the Nursery or attended CLOW before? Appreciate our Nursery and CLOW being available to young families? If you answered "yes" to just one of these questions, you would be a perfect fit for volunteering for Children's Ministries. We are looking for volunteers to help us with the following duties:

8:30AM or 10:30AM Masses

Nursery Door Greeter—arrive 15 minutes prior to Mass starting (either 8:15 or 10:15). Answer Nursery door, help parents sign in for Nursery, then attend Mass.

Nursery Room Volunteer-We always welcome Holy Rosary Students 7th grade and older who have attended the school SEP training to assist in the Nursery and play with children.

Sunday, 10:30AM Mass

CLOW Assistants—Walk over with children to Parish Center during Liturgy of the Word. Assist Teacher and then return to Mass for Eucharist.

CLOW Teachers—We appreciate anyone coming to share the Mass readings with our children. Materials are provided.

CLOW Safety—Help children safely cross the street to the Parish Center for CLOW, return to Mass and then after Homily help them return to Mass.

If you are interested or have any questions regarding volunteering for CLOW or Nursery, please contact Deyette at dswegle@holynosaryseattle.org

Coffee & Donuts

Coffee & Donuts has a new sign up site. If you and your family enjoy attending C&D after Sunday mass, we encourage you to keep the program alive by volunteering some of your own time.

The new mass schedule simplifies things: attend 8:30 mass and help out at C&D afterwards or help at C&D at 8:30 and then attend 10:30 mass.

We are using the web site "Sign Up Genius". Use the link below to access the site, sign up with your e-mail address and create a password (perhaps "coffee"?) and then choose the Sunday(s) where you want to help out. It is an easy system and we already have some parish families signed up. C&D hosting can be used for general service hours.

C&D is moving to the Parish Center Patio and Reception room for the summer months, beginning June 8!

The church provides all the supplies and food and our C&D heroine, Melissa Shilipetar, goes to Safeway every Sunday morning to pick up the donuts, make the coffee and show you how to do the set up.

CYO News

Registration for Fall 2014 CYO Soccer is now open!

Similar to last year, we'll start open registration in May/June before everyone leaves for summer

vacation. The open registration period for all grades continues NOW through September 2 for all grades. Any late registrations after this open registration period will be accepted on a space availability basis.

The fee is \$60. If you would like to reuse your 2013 black and blue striped Holy Rosary jersey, you will receive a \$15 discount off the registration cost.

The CYO organization at Holy Rosary offers the amazing opportunity for all K - 8th graders in the parish to

- Build school spirit by participating in organized sports with classmates and peers.
- Represent our school and parish in friendly competition with other Seattle area parishes.
- Develop new friendships while having fun and working towards a shared goal.
- Become involved with CYO Sports and the Holy Rosary community (esp. for new Kindergarten families)

For those already playing organized soccer in the Fall, CYO can be:

- A low pressure environment to refine skills or learn a new position in game-type settings.
- An opportunity to play with friends that are otherwise on different teams/leagues.

We had an amazing turnout last year - let's make 2014 an even bigger year for participation. We have a spot for everyone in Gator CYO sports.

COACHES NEEDED – Please consider offering your skills, experience, and leadership in service to coaching one of our teams. Not only are community service hours available, but volunteering provides great connection with the Holy Rosary families/larger community. If you are interested, please contact us at hrscyosoccer@gmail.com. If you have any questions, please contact Russell Nishimoto, Soccer Coordinator for Holy Rosary at hrscyosoccer@gmail.com.
