A presentation for parents of 5th-8th graders, will take place that evening in the school hall from 7-9pm. Mr. Henning is well known at local Catholic High Schools for reaching out to young people and talking about personal issues that parents sometimes feel uncomfortable discussing. Mr. Henning’s often humorous presentation helps the audience feel comfortable in discussion as well as asking questions about the social pressures of growing up in today’s world.

**SERVICE HOURS**—Please call me if your 7th or 8th grader wishes to help out at the PC Meeting with childcare provided in the Library. Any time they contribute can be counted as service hours. We have the need for 6 students or so for the March & May PC Meetings.
